

Join us in the GAG Sponsored Walk!

On **Sunday 15th May** GAG will be organising two walks along the canal towpath. The first is a 6-mile sponsored walk from Silsden to the Greenhill site; the second is a shorter, 2-mile walk, starting from The Marquis of Granby public house, to the Greenhill site. Both walks will end with refreshments being served at the Airedale Boat Club (opposite the top of Canal Road, Crossflatts).

The objective, besides raising awareness of the campaign and to boost our fighting fund is to involve the whole community in a fun and active day out. We hope that families, friends, neighbours and work colleagues will all come together on the day to show their united support for the campaign.

If you would like to join in and show your support you can pick up a Sponsorship Form today - just ask one of the GAG members on the stall.

On the day we shall also require volunteers to carry buckets for collecting donations along the route and for collecting petition signatures. To offer your help please speak to one of the GAG members on the stall. For further information please contact Graham Hey: grahamhey@btinternet.com
